### **Carlton, Hofferkamp and Jenks Wealth Management Partners with Wood Duck Farm**

THE WOODLANDS, TEXAS (March 3, 2016) – Carlton, Hofferkamp and Jenks Wealth Management partners with local Wood Duck Farm during the Spring growing season to donate farm fresh vegetables and fruits to Angel Reach’s food pantry.

“When our staff volunteered at Angel Reach this past Christmas, they noticed the absence of fresh vegetables and fruits available at the pantry. We thought it would be a wonderful opportunity to partner with a local farm with an established CSA program to help us donate farm fresh food to Angel Reach. We hope this is the beginning of our three small organizations joining together to make a big impact in our community, this is the essence of our Cares Program. I am proud this is the inaugural partnership with our community,” said Jim Carlton, Managing Director and Chief Investment Officer of CHJ Wealth Management.

### **About The Carlton, Hofferkamp and Jenks Cares Program**

The Cares Program is a year round giving program dedicated to making positive and meaningful contributions throughout the community.

Carlton, Hofferkamp and Jenks Wealth Management will consider making a financial or in-kind contribution to nonprofit 501 (c) (3) organizations typically with modest budgets, direct community impact and supports the cornerstones of the community: Education, Health and Wellness (Community and Personal), Hunger Relief and The Environment.
